

“To accomplish great things, we must not only act but also dream; not only plan, but also believe.”

~ Anatole France

Join Canon and the South African Disabled Golf Association's First Swing Program (FSP) for the third annual FSP Inter Schools Golf Tournament. See children who have overcome adversity by being bold enough to believe and persevered to achieve what few thought was possible.

The participating schools are Themba lethu (Cape Town), Astra (Cape Town), Eros (Cape Town), Filia (Cape Town), Eden (Worcester) and Carpe Diem (George). All of the participants have participated in SADGA's First Swing Program which works to develop skills and inculcate a passion for golf amongst young school children with disabilities. All of the young competitors are level 2 and 3 golfers on the First Swing Program and are able to play four to nine holes of regular golf.

These are children who have showed dedication, commitment and passion to learn, to try, and to never give up on their dreams of playing a sport.

Be there. Be inspired.
