\* Indicates professional status.

#### Note

- The rankings for the next few months, until the first tournament, will mostly be quantitative based i.e. the more you play, the higher your ranking will be.
- Quality will be introduced; once the first open tournament has been played i.e. the better players will come through, but only for those that makes the effort to travel.
- As the open tournaments are played, the rankings will become more accurate, based on quantity and quality.
- Thus, by the end of November, the ranking should be very close to reality i.e. the best and most passionate golfers will come through.
