

SADGA Virtual Provincial Days Rules and Objectives

Familiarise yourself with the objectives and rules of the SADGA Virtual Provincial Days.

Primary Objective

To ensure disabled golfers play as much golf as possible to stay “golf-fit” for the returning of formal competition golf, that will include a Provincial Challenge and International events like the SA Open and Regional Opens.

You’ve probably noticed on the SADGA Facebook page (extract attached), we will embark on having virtual PD’s.

- From the 1st to the 7th of every month.
- Starting August 2020.
- The end date is currently pegged at January 2021 (dependant on COVID-19 situation).
- Rounds can be played at any GolfRSA affiliated golf club.

Rules

- Open to all disabled players in South Africa, that are members at affiliated clubs, with official handicaps.
- Able bodied supporters can join your 4-ball, but no Order of Merits will be done for them.
