The SADGA Race to Challenge is 3 new events which carry World Ranking points (WR4GD).

Covid

As we look forward to the hosting of tournament golf in 2022, SADGA has the expectation and indeed responsibility to ensure that Tournaments hosted by SADGA are played in compliance with the National Government Regulations, GolfRSA Consolidated Risk Mitigation Guidelines. Any Covid-19 measures applicable at a specific course will also be described in the Additional Local Rules for each event.

Format:

The Race to Challenge will be played over 36 holes Stroke Play over two days (18 holes per day) at the following venues:

VENUES & DATES:

3-4 April 2022	Ebotse Links Disabled Open
8-9 May 2022	Metropolitan Disabled Open
8-9 May 2022	Irene CC Disabled Open

Handicaps:

Official golf handicap indexes will be used as calculated the day before each regional Open starts, which will be confirmed with you at registration. All scores must be up to date and entered before midnight 2 days prior to the first day of play of each tournament. If there are any open rounds, the player must inform the Committee.

Should your golf club not be affiliated to SAGA (South African Golf Association) then you are to hand in your proof of handicap at registration.

The handicap index as applied on the first day of play will be the handicap index that will stay in place for the player for the duration of each event (both days). It will determine the Division in which a player competes and the corresponding course handicap will be applied to calculate any nett scores and/or Stableford points.
